SEDAN — The Pleasanton football team was hoping this week was going to be it — the week it picks up its first win. Unfortunately, the Blu-Jays are going to have to wait another week.

Sedan scored 29 unanswered points in the first half, on its way to a 49-15 victory Friday. After the game, however, the game wasn't the only thing the Blu-Jays lost.

Running back Gannon Coffman suffered an injury early in the second quarter after he sustained a fracture of the fifth vertebrae and played the rest of the quarter before telling the coaches he had any pain. Coffman was flown to an Overland Park hospital Saturday morning, where he had surgery according to Pleasanton coach Tim Casper.

Casper said the surgery went well, that Coffman is able to walk and was scheduled to return home Tuesday. He is currently in a brace and will be home for two weeks before he will be able to return to school.

As for the game, the Blu-Jays actually got on the scoreboard first after quarterback Tyler Myrick scored on a 1-yard touchdown run, and after a Skyler Martin extra point, led 7-0. Sedan, however, went on to score 29 unanswered points and led 29-7.

Dillon Roberts scored on a 3-yard touchdown for Pleasanton to stop the scoring, but it was too little too late for the Blu-Jays.
